بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

د هر هغه چا څخه چې د معصومو او تنكيو ماشومانو د جرأت په وژلو يې لاس
پورې كړی دی!

مقدمه

خوښ يم، چې د دې سپېڅلې ټولنې په سپېڅلې او مينه ناکه غېږه کې را لوی شوی يم او د ژوند د درويشتم پسرلي شپې پکې سبا کوم. څنگه چې ټولنې تر دې دمه په مينه ناکه غېږه کې ځای راکړی او زه يې د خپلو حقوقو څخه برخمن ساتلی يم؛ نو په ما باندې هم ډېر حقوق لري چې همدا حقوق يې ور په ځای کړم او هغې مينې ته چې له ما سره يې کړې ده زه هم د يوې سپېڅلې مينې په سترگه ورته وگورم او دا مينه دوه اړخيزه وساتم.

هر انسان هيلې او اميدونه لري؛ زه هم د دې ټولنې د وگړي په حيث د هيلو او ارمانونو کتاب لرم. د هېواد انکشاف او پرمختگ، سوليزه فضا، د پوهې غوړېدل په هره ټوټه د هېواد کې زما د هغې هيلې ټوټې دي چې د هيلو او ارمانونو د کتاب په لومړۍ پاڼه کې مې ځای ورکړی.

گرانه لوستونکيه! له ډېرې مودې راهيسې دا تنده را سره مل وه چې يو علمي اثر خپلو هېوادولو ته وړاندې کړم، تر څو له هغه څخه په يو علمي او اکاډميک ډگر کې استفاده وشي؛ بالاخره مې دا هوډ وکړ چې: «زه بايد د مکتبې گرامر تر نوم لاندې يو کتاب ترتيب او نشر ته وسپارم چې د مکتب د انگليسي کتابونو گرامر پکې را غونډ او پښتو کرښې (ژباړه) يې هم ورسره وليکم.» نن ورځ چې کوم کتاب ستا په لاس کې دی، په دې کې د څلورم ټولگي څخه تر دوولسم ټولگي پورې هغه گرامري قوانين چې په دې کتابونو کې راغلي دي انشاء الله ما هم را غونډ کړي او ستا تنده پرې ماتوم.

په مينه

5. His	د ده	His book is hard.
6. Her	د دې	Her son is in Moqur.
7. Its	د هغه	Its tail is not very long.

Singular noun**مفرد نوم**

Singular noun is a noun which is one and only.

مفرد نوم هغه نوم دی چې یو او یوازې وي.

Example:

- Book
- Pen
- Man
- Student
- Watch
- Line
- Page
- Toast
- shoe

Plural noun

جمع نوم

Plural noun is a noun indicating more than one.

جمع نوم هغه دی چې له یو څخه په زیات باندې تاکید وکړي.

Example:

- Books
- Pens
- Computers
- Cats
- Walls

Forming plural noun

جمع نوم تشکیلول

In English language, the easy and simple way is to change a singular noun into plural noun by adding “s” or “es” at the end.

په انګلیسي ژبه کې چې تر ټولو ساده او آسانه لاره د نوم د جمع کولو لپاره کارول کېږي، هغه دا ده چې د مفرد نوم په آخر کې « ایس » یا « اي ایس » ور اضافه کوو.

Example:

Add (es) when a noun is ended in (s, ss, sh, ch, x, z, o). Other than¹ these letters, we can add only (s) at the end of singular noun for plural form.

- S bus buses
- SS glass glasses
- Sh bush bushes
- Ch watch watches
- X box boxes
- Z quiz quizzes
- O tomato tomatoes

¹ Other than means except or excluding.

Regular noun

قاعدہ وال نوم

Regular noun is used to take (s / es) for plural form as follow:

قاعدہ وال نوم هغه دی چې د جمع حالت لپاره « ایس » یا « ای ایس » په آخر کې واخلي.

Example:

- Book books
- Glass Glasses
- House houses

Irregular noun

بې قاعدہ نوم

Irregular noun does not take (s / es) at the end; it changes its form for plural form.

بې قاعدہ نوم هغه دی چې د جمع کولو لپاره « ایس » یا « ای ایس » په آخر کې نه قبلوي؛ بلکې خپل شکل او بڼې ته تغیر ورکوي.

Example:

- Man men
- Woman women
- Goose geese
- Foot feet
- Mouse mice
- Louse lice
- Tooth teeth

Subject

فاعل

Subject is the doer of an action.

فاعل د یو کار ترسره کوونکي ته ویل کېږي.

Example:

- **I** write a letter.
- **She** drives a car.

- Hamid is watching TV¹.

Subject Pronouns

فاعل ضميرونه

Subject pronouns are used instead of subject in the sentence. There are seven subject pronouns as follow:

فاعلي ضميرونه هغه دي چې په جمله کې د فاعل پر ځای استعمالېږي. په انگليسي ژبه کې لاندې اووه (۷) دانې فاعلي ضميرونه دي:

Example:

Subject pronouns	Be verbs	پښتو مانا	Example
1. I	am	زه	I am Himatullah.
2. We	are	موږ	We are Afghans.
3. You		ته / تاسو	You are from Moqur.
4. They		دوی / هغوی	They are my brothers.
5. He	is	دی (نرینه)	He is a pilot.
6. She		دا (ښځینه)	She is Halima.
7. It		هغه (بې ساه شی)	It is black, red and green.

Object

مفعول

Object is the receiver of the action produced by the subject.

مفعول هغه څوک یا شی دی چې د فاعل کار ور باندې اجرا کېږي.

Example:

- I eat an **apple**.
- You write a **letter**.
- He killed a **snake**.
- She will clean the **room**.
- We are learning **English**.
- They drink **milk** and **apple juice**.

¹ TV means television.

Object Pronouns

مفعولي ضميرونه

Object pronouns are used instead of object in the sentence. There are seven object pronouns in English as follow:

د صفت عالي درجه

In superlative degree of adjective, we can compare one thing, one person, one place, one animal or one idea with a group of things, people, places, animals and ideas.

د صفت په عالي درجه کې موږ کولای شو چې یو شی، یو شخص، یو ځای، یو څاروی یا یوه نظریه له یوه گروپ د شیانو، اشخاصو، ځایونو، څارویو او نظریاتو سره مقایسه کړو.

EXAMPLE:

- Himat is the cleverest child in our family.
- Mr. Abdul Qadus Karimi is the most profound instructor at Paktika University.

اتم ټولگی

- If the adjective has one or two syllables, we add (*the*) before the adjective and (**est**) at the end of adjective.

- It is *the heaviest* ball in this shop.
- Nasib is *the tallest* student in his class.

- If the adjective has more than two syllables, we add (*the + most*) before the **adjective** for superlative form of adjective.

- Kabul is *the most beautiful* place in Afghanistan.
- Shamsullah Zaland is *the most intelligent* lecturer in Moqur district.

Regular Adjective

قاعدہ وال صفت

Regular adjective has a special rule for comparative and superlative form to be changed.

قاعدہ وال صفت یوه ځانگړې لاره لري چې مقایسوي او عالي درجې د صفت ته بدلېږي.

EXAMPLE:

- For comparative form we add (**er**):

- Tall taller
- Short shorter
- Clever cleverer

- For superlative form we add (**est**):

- Tall tallest
- Short shortest
- Clever cleverest

Irregular Adjective

بې قاعدہ صفت

Irregular adjective has no special rule for comparative and superlative form, but it changes its form.

اتم ټولگی

بې قاعده صفت هغه دی چې د مقایسوي او عالي درجې ته د بدلون لپاره کومه خاصه لاره نلري بلکې خپل شکل ته تغیر ورکوي.

EXAMPLE:

For comparative form:

Good better

Bad worse

For superlative form:

Good the best

Bad the worst

Question with How + Adjective

خومره + صفت سره سوالونه

When we mean to acquire information about the adjectival aspect of something, we can use how + adjective.

کله چې زموږ هدف دا وي چې د یو شي په صفتي اړخ کې معلومات حاصل کړو؛ نو له خومره + صفت څخه کار اخلو.

EXAMPLE:

- How wide is this sea?
- How long is this track?
- How high was that wall?
- How deep is this well?
- How easy is the test?
- How cheap is that hat?
- How useful is Maktabi Grammar?

No + Gerund

نه + مصدر

No + Gerund can be used for request and as an instruction.

نه + مصدر د غوښتنې او لارښوونې لپاره استعمالېدای شي.

EXAMPLE:

اتم ټولگی

- No smoking.
- No stopping.
- No shouting.
- No sleeping.
- No waiting.

Have to for Strong Advice

باید د غښتلي مشورې لپاره

When we give a strong advice to someone regarding something, we can use “have to” for it.

کله چې موږ یو چاته د یو شي په اړه قوي او غښتلي مشوره ورکوو؛ موږ له « باید » څخه کار اخیستلی شو.

EXAMPLE:

- You **have to** learn English.
- They **have to** drive slowly.
- She **has to** come on time.
- We **have to** speak a lot.
- They **have to** strengthen their decisions.

Note: For subject (**he, she, it** and **singular nouns**, we use (**has to**) in place of (**have to**)!

Can for Permission

« کن » د اجازې لپاره

When we take permission from someone, it is possible to use (can) for it.

کله چې موږ له یو چا څخه اجازه غواړو، نو موږ کولای شو چې « کن » استعمال کړو.

اتم ټولگي

EXAMPLE:

- Can I go out, please?
- Can I help you?
- Can I have a pen, please?
- Can he drive your car?
- Can they come to our party?
- Can I come at seven (07:00 am) after today?
- Can we swim in that pool?
- Can she go with me, please?

Modal Auxiliary Verbs

نمونه يي کومکي فعلونه

Modal auxiliary verbs cannot be changed when the subject changes; they have specific usages which will be discussed with more details in upper grades.

نمونه يي کومکي فعلونه د فاعل له بدلېدو سره خپل حالت ته تغير نه ورکوي؛ هغوی ځانگړي او خاص د کارونې ځايونه لري چې په راتلونکو ټولگيو کې به په تفصيل سره تر څېړنې لاندې ونيول شي.

EXAMPLE:

(Had better, Must, Should, Can ...)

- You **had better** go to the center.
- They **had better** not participate in our ceremony.
- They **must** bring that computer.
- You **should** learn grammar if you want to be an English speaker.
- They **can** drive a car from Kandahar through Moqur to Kabul.

Will for Future

ویل د راتلونکې لپاره

We can use (will) for instant plan and prediction.

موږ کولای شو « ویل » د سمدستي پلان او وړاندوینې لپاره استعمال کړو.

Example:

- I **will** help you.
- They **will** carry it for you.
- It **will** rain tomorrow.

Be + Going to

بې + قصد لرل

Be + Going to can be used for a planned and decided action which will take place in the future time.

بې + قصد لرل د هغه کار لپاره کارول کېږي چې پلان او تصمیم شوی وي خو په راتلونکي وخت کې به واقع کېږي.

Example:

I **am going to** come tomorrow.

You **are going to** cook meat for dinner.

He **is going to** deliver speech in the program.

She **is not going to** marry Habib.

Are they going to do their homework tonight?

Note: In negative sentence, we add (not) after (Be (is, am, are)), and in question sentence, we convert the subject and (Be (is, am, are)). Pay attention to above examples sensibly.

Present Continuous Tense for Future

حال جاري زمانه د راځي وخت لپاره

An action which we decided and planned can be expressed in present continuous tense that happens in the future time.

هغه کړنه چې پلان شوې او تصميم شوې وي او په راتلونکې وخت پېښېږي هغه په حال جاري زمانه کې تشریح کولای شو.

Example:

- I am cooking meat tonight.
- They are going to Kabul tomorrow.
- She is coming to my home next week.
- Hamid is buying a computer next month.
- They are climbing that mountain tomorrow.
- Khan is doing his homework one hour after.

Suggestion with Why

په « ولې » سره نظريه يا مشوره

When we suggest concerning something to someone, we can use (why) for it.

کله چې موږ يو چاته د يو شي وړاندیز کوو، موږ کولای شو چې د هغه لپاره له « ولې » څخه استفاده وکړو.

Example:

- Why don't we study English?
 - Why don't they participate in our program?
 - Why don't we go to Ghazni and Jalal Abad?
 - Why don't we take computer class this winter?
 - Why don't you drive my car?
 - Why doesn't she have haircut?
 - What about drinking a cup of tea?
 - How about reading an interesting book?
- These are also used for suggestion!

Accepting something

یو څه منل

When we accept something, we can use these expressions:

کله چې موږ یو شی قبلوو موږ همدا اصطلاحات کارولی شو:

Example:

Will you come to my party?

That is right.

What about a cup of coffee?

I would love to.

I want to take an English class?

That is a good idea.

Refusing something

یو څه نه منل (ردول)

When we do not accept something, we can use these expressions:

کله چې موږ یو شی نه قبلوو موږ همدا اصطلاحات کارولی شو:

Example:

Will you come to my party?

That is great, but I am very busy.

What about a cup of coffee?

I would love to, but I have an appointment.

Why don't we take an English class?

I am sorry.

First Conditional

لومړۍ شرطیه

We use first conditional when the condition is in simple present tense and the result is in simple future tense.

موږ لومړۍ شرطیه د دې لپاره کاروو چې حالت یې په ساده حال زمانه کې وي او پایله یې په ساده راتلونکې زمانه کې وي.

Example:

If it rains, I will stay home.

If you come, I will welcome you.

If they win, they will laugh loudly.

Second Conditional

دویمه شرطیه

We use second conditional when the condition is in simple past and the result is in (S+would+V1).

موږ دویمه شرطیه د دې لپاره استعمالوو چې حالت په ساده تېره زمانه کې وي او نتېجه یې په (فاعل + وړو + فعل) کې وي.

Example:

If I had money, I would buy a car.

If you went Ghazni, you would see many shrines.

If she married me, she would stay with me.

Verb + Infinitive

فعل + مصدر

This infinitive is preceded by some verbs which are written below:

دا څو فعلونه تر مصدر مخکې لېکل کېږي.

Example:

- Promise
- Plan
- Agree
- Decide

- The government *promises to stop* smoking in public areas.
- The students *plan to picnic* in the mountain this week.
- You *agree to use* your computer, don't you?
- She *decided to drive* from Kabul to Kandahar.

V + O + Infinitive

فعل + مفعول + مصدر

According to this formula, we can use the object after the verb and before the infinitive.

د دې فارمول په اساس موږ کولای شو چې مفعول تر فعل وروسته او تر مصدر مخکې وکاروو.

Example:

- Promise
- Plan
- Agree
- ask

- The government *promises* the people **to stop** smoking in public areas.
- The students *plan* a trip **to go** to a mountain this week.
- You *agree* with Hamid **to use** his computer, don't you?
- She *asked* me not **to drive** his car.

Stative Verbs

د حالت فعلونه

Stative verbs do not force our body to move; they do not show any movement during their performing as well.

د حالت فعلونه هغه دي چې زموږ وجود حرکت کولو ته نه اړ کوي؛ د هغوی د ترسره کولو په وخت کې هغوی هیڅ کوم خوځښت نه رامنځ کوي.

Example:

- I **like** apple.
- She **loves** me.
- They **want** money.
- You **prefer** my idea.
- I **enjoy** watching TV.
- The manger **sees** a train every morning.

Present Perfect Tense

حال بشپړه زمانه

Present perfect tense can be used into two ways:

حال بشپړه زمانه په دوو ډولونو سره استعمالېدای شي:

Example:

- 1) When **for** and **since** are not used with its sentences, it shows an action which started and completed at an unspecified time in the past.

کله چې د بشپړې زمانې له غوندې سره «پار» او «سینس» نه وي کارول شوي، دا زمانه هغه عمل راته بیانوي چې په تېر وخت کې پیل او پای ته رسېدلی وي.

- I have gone to Kabul.
- They have studied English in Paktika.
- She has swum in this pool.
- Hakim has graduated form Sikacha-Wa-Nawruzi high school.

2) When **for** and **since** are used with its sentences, it shows an action which started at a specific time in the past and continued till now and may go on to the future.

کله چې د بشپړې زمانې له غوندې لو سره « پار » او « سینس » کارول شوي وي، هغه یو داسې عمل رانښيي چې په تېر مشخص وخت کې پیل او تر اوسه پورې جریان لري او د دې امکان یې هم شته دی چې راتلونکي وخت ته وغځېږي.

- I have studied English since 1999.
- They have gone to Herat for two months.
- She has done this job for three years.
- We have lived in Moqur since 2001.

For and Since with Present Perfect Tense

« پار » او « سینس » له حال بشپړه زمانې سره

(1) **For** is used when we say the duration of the action. (2) **Since** is used when we say the starting point of an action.

« پار » هغه وخت استعمالېږي چې موږ د یو عمل ټول دوران بیانوو. « سینس » هغه وخت استعمالېږي چې موږ د یو عمل د پیلېدو ټکی بیانوو.

Example:

- I have studied English **since** yesterday. 2
- They have driven this car **since** last year. 2
- She has had that computer **since** 2001. 2
- You have gone to Ghazni **since** last week. 2
- You have gone to Herat **for** one month. 1
- She has been a teacher **for** five years. 1
- He has had a car **for** one year. 1

Adverbial

قید / قیدي

Adverbial is a group of words which functions as an adverb.

قید / قیدي د کلمو یو ټولگه ده چې په ګډه سره د قید دنده ترسره کوي.

Example:

- I went to Kabul **two days ago**.
- They came **last year**.
- We studied Pashto subject the **year before last year**.

Sequence Adverbs

تسلسلي قیدونه

Sequence adverbs are used when we describe something what happens first and what after it.

تسلسلي قیدونه هغه وخت استعمالېږي چې موږ یو شی داسې تشریح کوو چې څه شه لومړی پېښېږي او څه شه پسي پېښېږي.

Example:

Read prudently this small story!

In the morning, **first**, I wake up at 05:30 am. **Second**, I take ablution and go to mosque for praying. **Third**, I return from mosque to home for breakfast. **Fourth**, I take my books and chapters and move toward of the center. **Fifth**, I listen to the teacher carefully and what he says I pay a close attention to it. **Finally**, I return to home and have lunch with my sweet brothers, Himat and Nasib.

Gerund

مصدري نوم

The (ing) form of verb is called gerund which function as noun and adjective.

د «ای ان جی» لرونکي فعل ته مصدري نوم ویل کېږي چې د نوم او ستاینوم دنده ترسره کوي.

Example:

- As **noun**: When the gerund is used instead of subject, it functions as a noun:
 - Playing** is useful for health.
 - Running** is also helpful for health.
- As an **Adjective**: When the gerund is used before *noun*, it functions as an adjective.
 - Playing cards** are forbidden in Islam.
 - Driving license** is a requirement.

By + Gerund

په واسطه + مصدري نوم

By + Gerund is used when we do something by its help.

په واسطه + مصدري نوم هغه وخت استعمالوو چې د یو شي په مرسته یو کار سرته رسوو.

Example:

- | | |
|---|---|
| <input type="checkbox"/> How can I light the lamp? | By pressing the red button, you can do it. |
| <input type="checkbox"/> How can you improve your vocabulary? | By reading a lot. |
| <input type="checkbox"/> How can they reach to Kandahar? | By driving carefully. |
| <input type="checkbox"/> How can I inform them? | By sending a text message. |
| <input type="checkbox"/> How can she come here? | By renting a car. |
| <input type="checkbox"/> How can you win the match? | By playing wisely. |
| <input type="checkbox"/> How can he pass in the exam? | By studying hard. |

Relative Clause

نسبتي فقره

Relative clause is used to give some more information about a noun.

نسبتي فقره د دې لپاره استعمالېږي چې د نوم په اړه اضافي مالومات ورکړي.

Example:

- The student *who is in first class* is my brother.
- The book *which has 200 pages* is written by Jamal.
- The center *where students learn English* is around here.
- The computer *that has a broken screen* is yours.

Note: The *italic* words are **clause markers**.

Should and Would for Polite Request

شود او وود د ادبي غوښتنې لپاره

When someone expects us of a polite request, we can use (would or should).

کله چې يو څوک له موږ څخه د يوې ادبي غوښتنې توقع لري موږ کولای شو چې له « وود يا شود » څخه استفاده وکړو.

Example:

- Would you give me an apple?
- Would she come to the program?
- Should he speak us Pashto?
- Should they cook meat for us for the dinner?
- Would we have a steak for the lunch?
- Would she come on time after today?
- Should you give me your computer for an hour?

Subordinating Conjunctions

فرعي د ربط توري

Subordinating conjunctions are used to introduce a subordinate clause.

فرعي د ربط توري د دې لپاره استعمالېږي چې يوه فرعي فقره راته معرفي کړي.

Example:

- I came here **when** Ahmad was not inside.
- I didn't arrive on time **because** I had an accident.
- She ran **while** I was walking.
- I booked a room here **before** he arrived.
- They washed their clothes **after** they got dirty them.

Modal Auxiliary Verbs for Request

نمونه يې کومکي فعلونه د غوښتنې لپاره

When we request to someone about something, we can use "Modal Auxiliary Verbs" for it.

کله چې موږ غواړو د يوشې په اړه له يو چا څخه غوښتنه وکړو موږ کولای شو چې له «نمونه يې مرستندويه فعلونو» څخه استفاده وکړو.

Example:

- Can I open the door, please?
- Could you lend me your pencil for a moment?
- Would I have the menu, please?
- May I carry it for you, please?
- Might they help us?
- Should we watch news at seven (07:00 pm)?

Invitation with Modal Verbs

بلنه په نمونه يي فعلونو سره

We can use modal verbs for invitation.

موږ کولای شو چې نمونه يي فعلونه د دعوت لپاره استعمال کړو.

Example:

- Could you come to our party tomorrow?
- Would you like to be in my graduation ceremony?
- Could they come to his birthday?

Reported Speech with (Auxiliaries)

نقلی خبرې په « مرستندویان » سره

In reported speech, we can change the main verb of simple present tense into simple past tense, and we use if/ whether instead of auxiliaries.

په نقلی خبرو کې موږ کولای شو چې په ساده حال زمانه کې اصلي فعل د ساده تېرې زمانې په فعل بدل کړو او د کومکي فعلونو پر ځای يې « ایف » یا « ویدر » کار کړو.

Example:

Direct speech:

- He said, "Are you a student?"
- She said, "Do they study English?"
- They told us, "Does he go to school?"

Indirect speech:

- He wanted to know if/ whether I was a student.
- She asked if/ whether they studied English.
- They told us if/ whether he went to school.

Reported speech with (WH Questions)

نقلې خبرې په « ډبليو ايچ » سوالونو سره

In reported speech, we can change the present continuous tense into the past continuous tense, but WH-questions are not changed.

په نقلې خبرو کې موږ کولای شو چې حال جاري زمانه په تېره جاري زمانه بدله کړو خو « ډبليو ايچ سوالونه » د تغير وړ نه دي.

Example:

Direct speech:

- Hamid said, "When are you coming back to Moqur?"
- Jamil told me, "What is he doing in the garden?"
- Hakim said, "Where are they going?"
- Nasib said, "Why are you sitting by the window?"

If an adjective ends in (y) and preceded by a (consonant), we had better change (y) into (i) and add (er) at the end of that adjective:

- My book is heavier than yours.
- This garden is noisier than that one.
- Sand is drier than mud in this area.

If an adjective is ended in an (e), we add only (r) at the end of that adjective:

- This road is wider than that road.
- That cave is safer than this one.
-

If an adjective is ended in (consonant + vowel + consonant), we can double the last (consonant) for comparative form of adjective and add (er) at the end of it.

- Summer is hotter than spring in Afghanistan.
- Tree is bigger than flower.
- Ice-cream is wetter than snow this year.

Superlative Adjective

عالي درجه د صفت

In this degree of adjective, we can compare one thing with a group of things.

د ستاینوم په دې درجه کې موږ کولای شو چې یو شی د شیانو له یوه گروپ سره پرتله کړو.

Example:

- Mohammad Gul is the tallest student in our class.
- Ali Mohammad is the shortest student in our class.

- You had better not inform your enemies of your plans and decisions.
- Afghans had better not calm down² as they are now!

¹ Kill the time means waste the time.

² Calm down means quieten

Apostrophe

غړوندى

Apostrophe is added at the end of noun to show possession or property of someone or something.

غړوندى د دې لپاره د فعل په پای کې اضافه کېږي چې د يو چا يا يو شي ملکیت يا شتمني وښيي.

Example:

We add (’s) at the end of those singular and plural nouns which do not end in (s).

- This is Misal’s book.
- They are men’s shirts.
- These are teeth’s cream.
- We have children’s class.
- I drive Ehsan’s car.
- What is your father’s name?

We add (’) at the end plural nouns which end in (s).

- This is boys’ ball.
- It is students’ playground.
- I have girls’ dresses.
- There are bottles’ caps.
- That is dogs’ cottage.

Note: The contracted form of (it is = it’s), (Jamal is = Jamal’s), (Khan was = Khan’s), (He has = He’s). If you are worried about the (’s), you must pay attention to the main verb.

Tag Questions

ضمیمه یې سوالونه

We use tag questions for confirming our information or investigating.

موږ ضمیمه یې سوالونه د خپلو معلوماتو د تائیدولو او د تحقیق یا خپرلو لپاره کاروو.

Example:

If the main part of the sentence is positive, the tag part must be negative:

- You are a student, aren't you?
- They went to school, didn't they?
- She is a nurse, isn't she?

If the main part of the sentence is negative, the tag part must be positive:

- They are not Afghans, are they?
- He is not a teacher, is he?
- You are not dead, are you?

The tag part for (I am) is (aren't I), and for (I am not) is (am I):

- I am an author, aren't I?

لسم ټولگی

- I am Afghan, aren't I?
- I am not a girl, am I?
- I am not your villager, am I?

if the main verb of the sentence is in simple present tense, in the tag part, we use an appropriate helping verb according to the subject:

- I work hard, don't I?
- She goes to school, doesn't she?
- They study a lot, don't they?

If the main verb of the sentence is in simple past tense, in the tag part, we use the auxiliary verb (did):

- I went to school, didn't I?
- They spoke English, didn't they?
- She used a computer, didn't she?
- You studied Maktabi Grammar, didn't you?

If the sentence contains an auxiliary verb, it itself is repeated in the tag part:

- I will go on¹ this plan, won't I?
- You will not come to my home, will you?

- She has gone to Kabul, hasn't she?
- We have not been to United States, have we?

- I am reading a book, aren't I?

¹ Go on means continue.

Direct Speech

مستقیمې خبرې

In direct speech, we narrate someone's exact words directly.

په مستقیمو خبرو کې موږ د یو چا عینې خبرې په مستقیمه توګه بیانوو.

Example:

Direct speech:

- Himat said, "I am Misal's brother."
- Himat said, "Am I Misal's brother?"
- President Ashraf Ghani said, "I want to unite all Afghans."
- Teacher said, "Do you do your homework!"

Remember that direct speech is placed between quotation marks:

- Kamal said, "I am an Afghan."
- Hakim said, "Maktabi Grammar is useful for every student."
- Hamida said, "I love you! I love you! I love you!"

Note: The tenses between quotation marks change their structures when we change the direct speech into indirect speech.

Indirect Speech

غیري مستقیمي خبري

In indirect speech, we narrate someone's words in our own words.

په غیري مستقیمو خبرو کې موږ د یو چا خبري په خپلو خبرو کې بیانوو.

Example:

Direct speech:

- Wazir Mohammad said, "I am an engineer."
- Karim said, "You are from Ghazni."
- Hamid said, "Is Hakim my brother?"
- Himatullah said, "Nasibullah is not at school."

Indirect speech:

- Wazir Mohammad said that he was an engineer.
- Karim asked if I was from Ghazni.
- Hamid wanted to know whether Hakim was his brother.
- Himatullah told me that Nasibullah was not at school.

Giving Instruction

لارڻيونه ڪول

When we give instruction about something to someone, we can use imperative sentence.

ڪله چي موڊ يو چا ته د يو شي په اڙه لارڻيونه ڪوو موڊ له امريه جملې څخه ڪار اخلو.

Example:

- Turn the television off before you sleep.
- Keep a fire-extinguisher in your kitchen and office.
- Speak politely and calmly.
- Turn off the computer after you finish your work.
- Clean the table and chair.

Zero Conditional

صفرې شرطيه

In this conditional, the condition is in if part; the result of the condition is in the main part.

Both sentences are in simple present tense.

په دې شرطيه کې، حالت د « ايف » په برخه کې بيانېږي او نتېجه يې په اصلي برخه کې بيانېږي. دواړې غونډلې په حال ساده زمانه کې استعمالېږي.

Example:

- If it rains, you get wet.
- If they eat a lot, they become overweight.
- If she is from China, she is Chinese.
- They become in the pink¹ if they exercise.
- The water boils if we heat it.

¹ In the pink = vigorous or healthy

First Conditional

لومړۍ شرطیه

We use the first conditional when the condition is in simple present, and the result is in simple future.

لومړۍ شرطیه هغه وخت کارولی شو چې حالت په ساده حال زمانه کې وي او پایله یا نتیجه یې په راتلونکې زمانه کې وي.

Example:

- If it rains, I will not come here.
- If you heat the water, I will not drink it.
- They will stay home if it starts storm.
- We will accept their invitations if they invite us.

Making suggestion

وړاندیز کونه

When we suggest to someone about something, we can use (why don't?)

کله چې موږ یو چاته د یو شي په اړه وړاندیز کوو نو موږ له « وای ډونټ؟ » څخه استفاده کولی شو.

Example:

- Why don't we have an ice-cream?
- Why don't we take a computer class for this winter?
- Why don't we study English in HELLC¹?
- Why don't we listen to the news of Lemar TV?
- Why don't we work for our Afghanistan?
- Why don't we inform the police from this matter?

¹ HELLC means (Misal English Language Learning Center).

Gerund as Noun

مصدری نوم د نوم په حیث

When gerund is not used before noun, it purposes as noun.

کله چې مصدری نوم له نوم څخه مخکې استعمال نشي، هغه د نوم دنده ترسره کوي.

Example:

- Studying is useful.
- Driving is dangerous.
- Sleeping is a natural requisite.
- Eating and drinking are natural requirements.
- Laughing is ecstasy¹.
- Raining is necessity.
- Skiing is a sport.

Who = Subject

څوک = فاعل

When (who) is used in an adjective clause, it talks about the subject.

کوم وخت چې (څوک) په یوه صفتي فقره کې و کارول شي، هغه د فاعل په اړه خبرې کوي.

Example:

Subject:

- The **boy** helped a bird.

Who = subject:

- The boy **who** helped a bird is my brother.

¹ Ecstasy = enjoyment or happiness

Whom = Object

ڇاڻه = مفعول

When (whom) is used in an adjective clause, it talks about the object.

ڪلهه ڇي «ڇاڻه» په صفتي فقره ڪي و ڪارول شي، هغه د مفعول په اڀه بحث ڪوي.

Example:

Object:

- I gave an apple to **Hamida**.

Whom = Object:

- The girl *whom* I gave an apple is Hamida.

Active Voice

معلومه زمانه

In active voice, the subject of the sentence does the action.

په معلومه زمانه ڪي د جملي فاعل ڪار ترسره ڪوي.

Example:

- Karim drives a car.
 Hamid is studying a book.
 Misal has typed Maktabi Grammar.
 Cat eats mice.
 Cat kills the snake.
 Bird makes a nest.
 Teacher teaches English.

Passive Voice

مجهوله زمانه

In passive voice, the subject of the sentence is unknown, or we do not want to mention the subject. Or sometimes, the subject of the sentence is not important than the object.

په مجهوله زمانه کې د جملې فاعل نامعلوم وي، يا موږ نه غواړو چې د فاعل يادونه وکړو. يا ځيني وختونه د غوندې فاعل تر مفعول مهم نه وي.

Example:

- A car is driven.
- A book is being studied.
- Maktabi Grammar has been typed.
- A mouse is eaten.
- The snake is killed.
- A nest is made.
- English is taught.

If we want to know the doer of the action, we use (**by + doer's name**) at the end of the verb.

- A car is driven **by Karim**.
- A book is being studied **by Hamid**.
- Maktabi Grammar has been typed **by Misal**.
- A mouse is eaten **by cat**.
- The snake is killed **by cat**.
- A nest is made **by bird**.
- English is taught **by teacher**.

Adjective Clause

صفتي فقره

Adjective clause is used to give more information regarding the noun or pronoun.

صفتي فقره د دې لپاره کارول کېږي چې د نوم يا نومخري په اړه زيات معلومات ورکړي.

Example:

- Students **who are twenty years old** are lovely.
- Kabul, **where Pashto & Dari are spoken**, is the capital of Afghanistan.
- Books **that belong to you** are on the table.
- Pens **which are red-colored and black-colored** are expensive.

Note: Adjective clause has two kinds (defining adjective¹ and non-defining adjective²).

Noun Clause

اسمي فقره

Noun clause is a group of words that functions as a noun in a sentence.

اسمي فقره د کلمو يوه ټولگه چې په غونډله کې د نوم دنده ترسره کوي.

Example:

- What he said** is clear.
- I know **what you did**.
- When he sleeps** is not important.
- They agree **what he wanted**.
- I hate of **what she has done**.

¹ Defining adjective clause supply necessary information about the noun and commas are not used around it.

² Non-defining adjective clause is used to supply more and extra information regarding the nouns; it is surrounded between commas.

Taking out of (what, which, that)

د (خوک، کوم، هغه) ليري کېدنه

Sometimes, we can remove the clause markers from an adjective clause.

ځينې وختونه موږ کولای شو چې د صفتي فقرې څخه فقره پېژندونې لرې کړو.

Example:

The student **who can speak Pashto and Dari** is my country cousin¹.

- The student **speaking Pashto and Dari** is my country cousin.

The car **which looks new** is yours.

- The car **looking new** is yours.

Used to + Be

يوزد تو + بي

We can use (used to + be) for existence and state of something in the past.

موږ کولای شو چې « يوزد تو + بي » په تېر وخت کې د يوشې د حالت يا شتون لپاره وکاروو.

Example:

Existence:

- I used to be in rural community, but I am in city now.
 They used to be in warm area, but they are in cold area now.

State:

- She used to be happy, but, now, she is ill-fated².
 We used to be fat, but we are thin now.

¹ Country cousin = village

² Ill-fated means sad or unhappy

Used to + Have

يوزډ ټو + لرل

We can use (used to + have) for possession of the past time.

موږ کولای شو چې «يوزډ ټو + لرل» د تېر وخت د ملکیت لپاره وکاروو.

Example:

- I used to have long hair, but I don't have it now.
- She used to have new clothes, but she doesn't have them now.
- They used to have more friends, but, now, they have no friends.

Used to + Verb

يوزډ ټو + فعل

We can use (used to + verb) for an action that we have did it habitually in the past but not now.

موږ کولای شو چې «يوزډ ټو + فعل» د هغه عمل لپاره وکاروو چې موږ به په تېر وخت کې په عادتې توگه ترسره کول خو اوس يې نه کوو.

Example:

- I used to speak aloud.
- They used wear traditional clothes.
- She used to wake up early in the morning.
- He used to backbite all the time.
- I used to use my computer at midnight.
- Himat used to wear white colored shirts.
- Hakim and Nasib used to drive fast their cars.

Past Perfect Tense

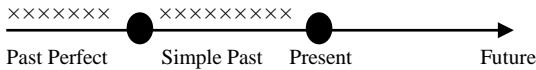

تېره بشپړه زمانه

Past perfect tense is used to show an action which is started and completed before another action in the past.

تېره بشپړه زمانه هغه کړنه بيانوي چې تر بلې کړنې مخکې پيل او پای ته رسېدلې وي.

Example:

Past Perfect Tense:

- I had eaten when you came there.
- They had driven before I saw him.
- She had gone to Kabul when I arrived to his home.
- You had learnt English when I wanted to begin it.
- She had worn her new clothes when they saw her.
- We had had lunch when he arrived.

Had been for state

هد بين د حال لپاره

We can use (had been) for state which we had before an action in the past.

موږ کولای شو چې « هد بين » د هغه حالت لپاره و کاروو چې موږ د يوې بلې کړنې څخه مخکې درلود.

Example:

Had been for state:

- I had been sick when you came there.
- They had been blissful¹ when we arrived there.
- She had been healthy when he married her.
- You had been lucky before you had an accident.

¹ Blissful means happy or pleased

Had been for Existence

هلې بين د شتون لپاره

We can use (had been) for existence where we were before an action in the past.

موږ کولای شو چې « هلې بين » د هغه شتون لپاره و کاروو چېرې چې موږ د يوې کړنې څخه مخکې قرار درلود.

Example:

Had been for existence:

- I had been in Ghazni before I moved to Paktika.
- They had been in Afghanistan when they lost their feet and one hand.
- You had been in Kandahar when you went to Herat.
- She had been at her father's home before she went to her father's-in-law home.

Second Conditional

دويمه شرطيه

We use second conditional when the condition is in simple past and the result is in (S + would + verb).

موږ دويمه شرطيه د دې لپاره کاروو چې حالت په ساده تېره زمانه کې وي او پایله يې په « فاعل + ووډ + فعل » کې وي.

Example:

Second Conditional:

- If I had money, I would buy a car.
- If I went to Kabul, I would meet my friends.
- If I won the match, I would be very happy.
- If I became rich, I would marry her.
- If my father satisfied, she would marry me.
- If they saw me there, they would sarcasm¹ me all the time.

¹ Sarcasm means irony or mockery

Past Perfect Tense in Passive

تېره بشپړه زمانه په مجهوله زمانه کې

In past perfect tense, the subject of active becomes the object of the passive, and the object of the active becomes the subject of the passive.

په تېره بشپړه زمانه کې د معلومې زمانې فاعل د مجهولې زمانې مفعول جوړېږي او د معلومې زمانې مفعول د مجهولې زمانې فاعل جوړېږي.

Example:

Past Perfect in Active:

- I had eaten the fish when he came there.
- They had fixed a car before we saw them.
- She had killed a snake when he arrived there.
- I had bought a computer before July.

Past Perfect in Passive:

- The fish had been eaten when he came there.
- A car had been fixed before we saw them.
- A snake had been killed when he arrived there.
- A computer had been bought before July.

Using of (by) to know who the doer of the action is:

- The fish had been eaten by me when he came there.
- A car had been fixed by them before we saw them.
- A snake had been killed by her when he arrived there.
- A computer had been bought by me before July.

Reported Speech with (Modals)

نقلي خبري په نمونه يي فعلونه سره

When we have modal verbs in direct speech, by changing the direct speech into indirect speech, the modal verbs change their form.

کله چې موږ په مستقيم خبرو کې نمونه يي فعلونه ولرو، په دې حال کې نمونه يي فعلونه هم بدلون مومي چې موږ مستقيمي خبرې په غيري مستقيم خبرو بدلوو.

Example:

Direct speech:

- He said, "I can lift this stone."
- She said, "I may eat five apples at once¹."
- They said, "We must drink coffee."
- We said, "We should buy the new car."
- He said, "I ought to wear new shirt for the party."

Direct	Indirect
Can	Could
May	Might
Must	Had to
Should	Should
Ought to	Ought to

Indirect speech:

- He said that he could lift that stone.
- She said that she might eat five apples.
- They said that they had to drink coffee.
- We said that we should buy the new car.
- He said that he ought to wear new shirt for the party.

¹ At once means simultaneously or at the same time

Coordinating Conjunctions

همغري د ربط توري

Coordinating conjunctions are used to connect sentences. They are also called (Fanboys).

همغري د ربط توري د دي لپاره کارول کېږي چې دوي جملې سره و نښلوي. دوي د « فن بوايز » په نوم هم يادېږي.

Example:

 She is for cooking.
 Computer is for calculation.
 Nasib is with Himatullah.
 It leads to that bank of the river.

Note: On the right, the **bolded** ones are prepositions at the end.

¹ Adversary means foe or enemy

Subject Question

Subject Question

When we use a question word in lieu of subject, it itself creates subject question.

فاعلي سوال

کله چې مور یوه پوښتونکې کلمه د فاعل په ځای استعمال کړو، نو همدا کلمه پخپله فاعلي سوال جوړوي.

EXAMPLE:

- What** are animals?
- Who** are coming?
- What** are destroying?

Dogs and **cats** are animals.
Nasib and **Himat** are coming?
Houses are destroying.

Tag Questions

Tag Questions

Commas in Relative Clause

Commas in Relative Clause

When we have defining relative clause, commas are not used. When we have non-defining relative clause, commas are used.

کامې په نسبتې فقره کې

کله چې موږ مشخصه نسبتې فقره ولرو،
موږ نشو کولای چې کامې ورسره وکاروو.
کله چې موږ نامشخصه نسبتې فقره ولرو،
په دې صورت کې موږ کامې کاروو.

EXAMPLE:

Defining Relative Clause¹:

- Student **who is from Ghazni** is his brother.
- The car **which has black color** is mine.
- The cat **that has long tail** is always sleepy.
- The man **that is over there** is our English teacher.

Non-defining Relative Clause²:

- Karim, **who is from Ghazni**, is his brother.
- Ahmad's car, **which has black color**, is here.

¹ Defining relative clause gives necessary information about noun.

² Non-defining relative clause provides superfluous information about noun.

Transitive Verbs

Transitive Verbs

Transitive verb always needs object.

متعدي فعل

متعدي فعل هغه دی چې مفعول ته ضرورت لري.

EXAMPLE:

- I eat apple. (apple is the object of eat)
- They drink tea. (tea is the object of drink)
- I use computer. (computer is the object of use)
- She cooks dinner. (dinner is the object of cook)

- When** she came, he was drinking champagne.

Some in Question

Some in Question

When we expect the answer (yes), we can use some in question.

«some» په پوښتنه کې

کله چې موږ د «هو» د ځواب توقع لرو نو موږ په پوښتنه کې «some» استعمالوو.

EXAMPLE:

- | | | |
|--------------------------|-----------------------------|-------------|
| <input type="checkbox"/> | Can you give me some money? | Yes, I can. |
| <input type="checkbox"/> | Can you help me some day? | Yes, I can. |

Note: (Some) is generally used in positive sentence; it is also used in question sentence if the question's answer is (yes).

Third Conditional

Third Conditional

When we use third conditional, the condition is in past perfect and the result is in (S + would + past participle).

درېیمه شرطیه

کله چې موږ درېیمه شرطیه کاروو نو حالت به په تېره بشپړه زمانه کې وي او پایله به یې په « فاعل + ووېد + د فعل درېیم » حالت کې وي.

EXAMPLE:

- If I had gone to Kabul, I would have seen many places.
- If I had earned much money, I would have bought a car.
- If I had brought sticks, I would have used them.
- If I had driven a car, I would have enjoyed it.
- If you had learnt English, you would have spoken English.
- If he had drunk water, he would have felt well.
- If they had killed the snake, they would have gotten a big prize.
- If we had developed our country, we would felt calm.

Instead of (would have), we can use (should have, might have, and could have).

- If I had gone to Kabul, I should have seen many places.
- If I had earned much money, I might have bought a car.
- If I had brought sticks, I could have used them.

د مثال لنډه پېژندنه

محسب الله « مثال » د شـهيد حاجي باقيب الله « ملت يار » زوی د فضلي احمد لمسی ده. په (۱۳۷۲) يم لېږديز لمريز کال کې د غزني ولايت، مقر ولسوالۍ، کوه بند سيمې، په سيگانسي نومي کلي کې يې دې فاني او پاتې نړۍ ته سترگې غړولې دي.

« مثال » ته املايي او انشايي زده کړې خپل پلار بنودلې دي

او په (۱۳۸۱) يم ل.ل.ل کال کې يې د خپل کلي په سيکچه او نوروزي نومې لېسه کې خپلې زده کړې پيل کړې دي، چې په (۱۳۹۰) يم ل.ل.ل کال کې د همدې لېسې څخه فارغ شوی دی. د اقتصادي ستونزو له کبله د بنوونځي له فراغت وروسته سمدستي په دې نه و توانيدلی چې لوړو زده کړو ته دوام ورکړي؛ نو له دې امله يې ډېره موده وروسته (۱۳۹۵) يم ل.ل.ل کال کې د کانکور په آزموينه کې گډون وکړل چې په پايله کې د پکتیکا پوهنتون، بنوونې او روزنې پوهنځۍ، د انگليسي څانگې زده کړه يال وگڼل شو.

« مثال » چې د انگليسي ژبې د زده کړې ډېر تېری و، همدا هيله يې انشاء الله د بشپړېدو په لور روانه ده. دی تر اوسه پورې په پکتیکا پوهنتون کې په خپلو لوړو زده کړو بوخت دی. له ډېرې مودې راهيسې دا تنده هم ورسره پيداشوې وه چې يو علمي اثر دا غم خوړولو افغانانو ته چاپ کړي، دا هيله يې هم بشپړه شوه او نور ناچاپ علمي اثرونه هم لري چې په راځي وختونو کې به هغوی هم ستاسو تر لاسونو در ورسوي.
